Kitselas Master Land Use Plan

Without You, There is No Plan

January 23 - January 26, 2012

history | community | landscape

Throughout the week, while working in the Community Hall on Kulspai Crescent, a series of one-on-one or small group meetings are scheduled with Kitselas staff, political leaders, Kitselas Elders, service providers, and community members. These meetings will increase the understanding of physical, market, and organizational forces at play within Kitselas.

MON. JAN 23: KICK-OFF PRESENTATION (PLEASE BRING YOUR BINDERS)

7 pm -9 pm, Kitselas Community Hall

The first public presentation will be on Monday evening at the Kitselas Community Hall. This is a very interactive evening for the community to meet the full Charrette Team. The Charrette Team will present what they've heard from the community and provide visual examples of the types of development we can pursue on Kitselas reserve lands. Following the presentation, participants will get the opportunity to provide greater insight to the Charrette Team of the ideas presented. There will be door prizes.

WED. JAN 25: "YES, NO, MAYBE SO!"

6 pm - 9 pm, Kitselas Community Hall

This session is an informal discussion of what has been produced to date. Community members get the chance to say "YES, NO, MAYBE SO!" to everything presented. It will be an opportunity to see how the work is evolving, provide critical input, and ensure that any solutions identified by the Charrette Team meet the needs of community members. During this time, experts will be on hand to answer specific questions. There will be no formal presentation given, people can stop in at any time between 6:00 and 9:00 pm to see and discuss the work on the plan. Your input will be reincorporated into the final land use plan. There will be door prizes.

THURS. JAN 26: FINAL CHARRETTE PRESENTATION

5 pm - 9 pm, Kitselas Community Hall

On Thursday evening at the Community Hall, concepts, sketches, visual transformations, ideas, questions, and designs for Kitselas accumulated over the course of the week will be presented to the membership. More input from the Community will be collected and provided to the Charrette Team to be incorporated into the final land use plan. There will be door prizes. There will be a draw for the Grand Prize – Generator (5500W) for those who attend the three community sessions.
