Dear Sir/Madam:

RE: Pacific Herring (Herring Eggs)

Hand Picking for Food, Social, & Ceremonial (FSC) purposes.
Areas; Subarea 4-12, Subarea 4-15, Subarea 5-1, Subarea 5-23

To comply with the law, Kitselas members **must** have their fishing designation card and provide boat/vessel identification information (boat operator, vessel number) prior to departure. You must also provide Kitselas Lands and Resources with your catch data via email (k.mcdamesjr@kitselas.com) or by phone (778-634-3517).

All catch data is used for fisheries reporting to the Department of Fisheries and Oceans Canada so we can determine what Kitselas First Nation caught for the 2016/2017 season.

Failure to comply with the requirements above and/or supply this information, should you be interviewed on the ocean by Kitselas Lands and Resources or fisheries officers, can result in federal charges from the Department of Fisheries and Oceans Canada.

The subarea maps can be found here - <http://www.pac.dfo-mpo.gc.ca/fm-gp/maps-cartes/areas-secteurs/index-eng.html>
